

Information Sheet

Redevelopment of the Footscray Existing Hospital

Key facts:

- ▶ New Footscray Hospital is due to open in 2025.
- ▶ Following relocation of services to the new hospital, the existing 6.6 hectare Footscray Hospital site will be freed up for potential redevelopment.
- ▶ This is an exciting opportunity to redevelop key inner city government land.
- ▶ Early investigations to identify the site's potential and constraints has commenced. This includes:
 - Understanding site context: site conditions, contamination, heritage, and infrastructure needs and capacity.
 - Understanding whether other government services might have an interest in the site.
 - Options for transition and temporary uses.
- ▶ There will be opportunities for the community to provide feedback and input on their aspirations for the site in 2023.
