Advice

- 1 The Victorian Independent Remuneration Tribunal (Tribunal) advises VFMC that an appropriate total remuneration package (TRP) for an executive in the position of Head of Infrastructure is \$370,000 per annum.
- 2 This TRP is considered to be appropriate for the following reasons:
 - (a) The functions and responsibilities of the position.
 - (b) The skills and experience that are relevant to the position.
 - (c) The remuneration benchmarking information available to the Tribunal.
- 3 The Tribunal notes that its advice must be sought again for a mid-contract remuneration adjustment, reappointment or a new appointment, if it is proposed to continue paying the executive above the maximum of the remuneration band. This includes remuneration adjustments as part of VFMC's annual remuneration review process.
