## Red line plan

When a liquor licence is granted, it is for a defined area. The defined area indicates where liquor can be supplied and consumed and is shown by a red line drawn on a plan of the premises. ## Renewable limited licence – club

### Body corporate

A body corporate is an organisation which has a separate legal status to its members (i.e. it can own property, sue and be sued, and enter into contracts in its own name). Examples of body corporates include companies, incorporated associations, co-operatives, municipal councils, government agencies and institutions. Unincorporated clubs/associations and unincorporated partnerships are not body corporates. A minimum of one director must reside in Victoria unless a proposed nominee has been nominated.

### Nominee

A body corporate may apply to LCV for the approval of a person to be the nominee of the applicant. Once approved, the nominee then becomes liable as if they were the licensee or permit holder. The nominee will cease being a nominee if they cease to manage or control the licensed premises. Where this occurs, the licensee or permit holder needs to notify LCV within 14 days. The nominee must reside in Victoria.

If the application is from a company, partnership or club, a questionnaire is required from each director, partner or executive committee member. If a nominee is to be appointed, then they are also required to provide the following information.

- Whether you've ever declared bankruptcy
- Any history you have with holding a liquor licence.
- Your history involving running other companies or involvement in professional organisations in Victoria, interstate or overseas.

Victoria Police may also decide to object to your application if they believe you or anyone else involved with the application is unsuitable to hold a licence. Having a criminal record may not necessarily prevent you or a business you are involved in from having a licence approved.

This form is to be completed and dated no more than three months prior to your application being submitted.

Middle name(s):

Family name:

Date of Birth (dd/mm/yyyy):

# Red line plans of licensed premises

---

When a liquor licence or BYO permit is granted, it is for a defined area where liquor can be supplied or consumed. This is shown by a red line drawn on a plan of the premises. This red line plan needs to be submitted to Liquor Control Victoria (LCV) as part of the application process and may be required upon request at any time.

## The plan of the premises must accompany applications for:

- a licence or BYO permit excluding a pre-retail licence.
- a variation of a licence or BYO permit that involves a change to the size or perimeter of the licensed premises.
- a transfer of a licence or BYO permit if the current floor layout of the premises differs from the plan held at LCV.
- the relocation of a licence or BYO permit.

## Internal changes to premises

If a change is made to the internal area of licensed premises (for example, by adding or removing a particular structure), the licensee should submit an updated plan of the licensed premises.

## LCV requesting a plan

In addition to the above, under section 130(1)(a) of the *Liquor Control Reform Act 1998* an authorised person (such as an LCV Inspector or member of Victoria Police) may at any time request information relevant to the operations or the management of the premises. This may include a current plan of a licensed premises. You must comply with the request and produce the requested plan.

## Plan format

A plan must contain the following elements:

- be on A4 size paper
- be drawn in a neat and legible manner (either electronically or by hand)
- have an arrow or compass pointing North
- include the premises address
- include the name of the surrounding streets/roads
- describe any non-permanent or temporary structures that outline your licensed area, such as cafe barriers, ropes or other fencing arrangements you may have
- outline the proposed licensed area/s in a continuous red line
- show measurements of licensed areas
- include the total floor space of the licensed areas in square metres
- show and describe the key fixtures, example; the bar, dining area, the cash register, kitchen area, dance floor, toilets etc.

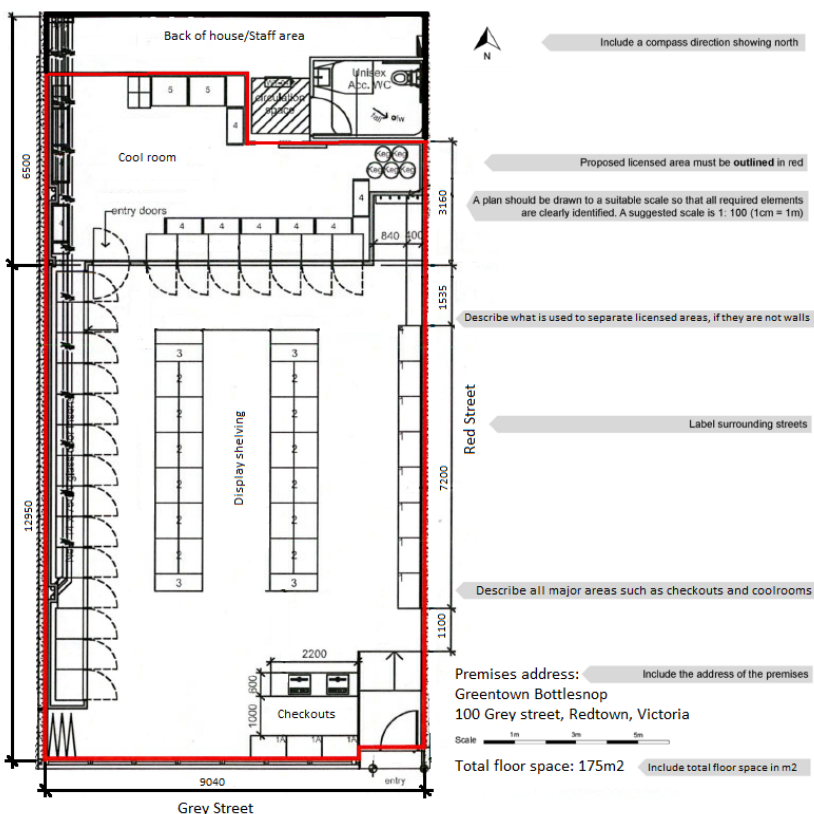

## Plan format

An example of a plan for a venue supplying liquor on licensed premises

An example of a plan for a shop supplying packaged liquor

## Restaurant and cafe licences and on-premises licences

If applying for kerbside trading, identify the area to be licensed and separately outline this area in on the plan. LCV will mark this area with an A.A on the approved copy of the plan. This area is referred to as the Authorised Area.

## General licences

A general licence authorises the supply of liquor to patrons for consumption off the licensed premises, being a footpath or kerbside area. Therefore this area does not need to be identified on the plan.

Please note that licensees must comply with relevant local planning laws.

**If the plan does not meet these requirements, the applicant will be required to resubmit the plan.**

## Storing an approved plan

A copy of the approved plan must be kept on the licensed premises and must be available for inspection on request by a member of Victoria Police or an LCV Inspector.

Failure to keep a copy of the plan on the licensed premises or produce a copy of the plan for inspection could result in a fine being issued.

If you do not have a copy of your approved plan, you can download a copy from the Liquor Portal at [liquorportal.vcglr.vic.gov.au/liquorportal/](https://liquorportal.vcglr.vic.gov.au/liquorportal/). Creating an account is free.
